

Protecting children. Restoring hope. Strengthening our community.

Dear Friends,

Every year, hundreds of children in Cumberland County walk through our doors carrying things no child should ever have to carry. Last year, 531 of them, ages 3 to 17, came to the Child Advocacy Center for help. They came because of sexual, physical, and emotional abuse. Because of human trafficking and exploitation. Because they witnessed violence done to someone they love. They came because they needed someone to hear them.

The Child Advocacy Center exists to be that place. Our mission is to partner with law enforcement, medical professionals, and the community to respond to child abuse and prevent future harm. We are a local nonprofit, which means every dollar you give stays right here in Cumberland County, serving the children and families who need it most.

To keep doing this work, we need corporate partners who believe, as we do, that every child deserves to feel safe, valued, and protected. That's why we're inviting you to join our 2026 Benefactor Sponsorship program.

As a sponsor, your single, meaningful contribution provides year-round support for our programs while earning your organization recognition at CAC-sponsored fundraising and community events throughout the year. Your investment helps us maintain the safe, child-friendly environment where law enforcement and community agencies come together to serve children in crisis, and it ensures we can respond when a child needs us most.

Inside, you'll find our 2026 sponsorship levels and the recognition benefits at each tier. To learn more or discuss opportunities, contact us at (910) 486-9700 or John@CACFayNC.org.

Together, we can make sure no child in our community faces the unthinkable alone.

With Gratitude,

John Webster - Executive Director
